It is anticipated that the public hearings and meeting will take place at **The Hive, 42891 Lake Babcock Drive, Room 211, Babcock Ranch, Florida 33982.**

The public hearing is being held to consider the adoption of an assessment roll, the imposition of special assessments to provide security for a proposed State Infrastructure Bank Loan (the "SIB Loan") on benefited lands within the Babcock Ranch Community Independent Special District ("District") relating to SR 31 Offsite Road Improvements, a depiction of which lands to be assessed is shown below, and to provide for the levy, collection and enforcement of the special assessments. The streets and areas to be improved are depicted below and in the District's *Engineer's Report*, dated January 5, 2021 (the "Improvement Plan"). The public hearing is being conducted pursuant to Chapters 170, 189 and 197, *Florida Statutes*, and Chapter 2007-306, *Laws of Florida*, as amended. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the office of the District's Local Records Office located at 42891 Lake Babcock Drive, Room 211, Punta Gorda, Florida 33982, or by contacting the District Manager at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, (561) 571-0010. The method of allocating assessments for the Improvements to be funded by the District will initially be determined on an equal assessment per acre basis. The methodology is explained in more detail in the Assessment Report.

The annual principal assessment levied against each parcel will be based on repayment over a maximum of twenty (20) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than \$31,348,036 in debt to be assessed by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment and interest. The method of allocating assessments for the Improvements to be funded by the District will initially be determined on an equal assessment per acre basis based on the development plan for each sub-phase as described in the Assessment Report, and will be levied on an equivalent residential unit ("ERU") basis at the time that such property is platted or subject to a site plan or sold.

The annual principal assessment levied against each parcel will be based on repayment over thirty (30) years of the total debt allocated to each parcel. Are there different types of legal notices?

Simply put, there are two basic types - Warning Notices and Accountability Notices.

Warning notices inform you when government, or a private party authorized by the government, is about to do something that may affect your life, liberty or pursuit of happiness. Warning notices typically are published more than once over a certain period.

Accountability notices are designed to make sure citizens know details about their government. These notices generally are published one time, and are archived for everyone to see. Accountability is key to efficiency in government.
