NOTICE OF PUBLIC HEARING AND BOARD OF SUPERVISORS MEETING OF THE HERITAGE HARBOR COMMUNITY DEVELOPMENT DISTRICT

The Board of Supervisors (the “**Board**”) of the Heritage Harbor Community Development District (the “**District**”) will hold a public hearing and a meeting on Tuesday September 13, 2022, at 5:30 p.m. at Heritage Harbor Clubhouse, 19502 Heritage Harbor Parkway, Lutz, Florida.

The purpose of the public hearing is to receive public comments on the proposed adoption of the District’s fiscal year 2022-2023 proposed budget and the proposed levy of its annually recurring non-ad valorem special assessments for operation and maintenance to fund the items described in the proposed budget (the “**O&M Assessments**”).

At the conclusion of the public hearing, the Board will, by resolution, adopt a final budget, provide for the levy, collection, and enforcement of the O&M Assessments, and certify an assessment roll. A meeting of the Board will also be held where the Board may consider any other business that may properly come before it.

A copy of the proposed budget, preliminary assessment roll, and the agenda may be viewed on the District’s website at least 2 days before the meeting [www.heritageharborcdd.org](http://www.heritageharborcdd.org), or may be obtained by contacting the District Manager’s office via phone at (321) 263-0132 X-285.

The table below presents the proposed schedule of the O&M Assessments. Amounts are preliminary and subject to change at the meeting and in any future year.

The O&M Assessments (in addition to debt assessments, if any) will appear on November 2022 Hillsborough County property tax bill. Amount shown includes all applicable collection costs. Property owner is eligible for a discount of up to 4% if paid early.

The County Tax Collector will collect the assessments for all lots and parcels within the District. Alternatively, the District may elect to directly collect its assessments in accordance with Chapter 190, Florida Statutes. Failure to pay the District’s assessments will cause a tax certificate to be issued against the property which may result in a loss of title or a foreclosure action to be filed against the property. All affected property owners have the right to appear at the public hearing and to file written objections with the District within 20 days of publication of this notice.

The public hearing and meeting are open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMIT

ENVIRONMENTAL PROTECTION COMMISSION  
OF HILLSBOROUGH COUNTY  
Draft Air Permit No. 0570412-017-AC  
Vulcan Construction Materials, LLC  
Tampa Sales Yard  
Hillsborough County, FL

**Applicant:** The applicant for this project is Vulcan Construction Materials, LLC. The applicant’s authorized representative and mailing address is: Lori Sanville, PO BOX 4667, Jacksonville, FL 32201.

**Facility Location:** Vulcan Construction Materials, LLC operates the existing Tampa Sales Yard, which is located in Hillsborough County at 3510 & 3520 Pendola Point Road, Tampa, FL 33619.

**Project:** This permit authorizes the increase in the aggregate material handling throughput at the facility. The particulate matter emissions are controlled by a water spray system and the use of best management practices. Vulcan Construction Materials, LLC will remain a synthetic-minor source of particulate matter emissions.

**Permitting Authority:** Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210 and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to perform the proposed work. The Permitting Authority responsible for making a permit determination for this project is the Environmental Protection Commission of Hillsborough County. The Permitting Authority’s physical/ mailing address is: 3629 Queen Palm Dr., Tampa, FL 33619. The Permitting Authority’s phone number is 813-627-2600.

**Project File:** A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at the physical address indicated above for the Permitting Authority. The complete project file includes the Draft Permit, the Technical Evaluation and Preliminary Determination, the application and information submitted by the applicant (exclusive of confidential records under Section 403.111, F.S.). Interested persons may contact the Permitting Authority’s project engineer for additional information at the address and phone number listed above. In addition, electronic copies of these documents are available on the following web site: <https://fldep.dep.state.fl.us/air/emission/apds/default.asp>.

**Notice of Intent to Issue Air Permit:** The Permitting Authority gives notice of its intent to issue an air construction permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of the existing equipment, while granular potash, will not adversely impact air quality and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft Permit unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S. or unless public comment received in accordance with this notice results in a different decision or a significant change of terms or conditions.

**Comments:** The Permitting Authority will accept written comments concerning the proposed Draft Permit for a period of 14 days from the date of publication of the Public Notice. Written comments must be received by the Permitting Authority by close of business (5:00 p.m.) on or before the end of this 14-day period. If written comments received result in a significant change to the Draft Permit, the Permitting Authority shall revise the Draft Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection.

**Petitions:** A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. A petition for administrative hearing must contain the information set forth below and must be filed (received) in the Legal Department of the EPC at 3629 Queen Palm Drive, Tampa, Florida 33619, Phone 813-627-2600, Fax 813-627-2600 before the deadline. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person’s right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Permitting Authority’s action is based must contain the following information: (a) The name and address of each agency affected and each agency’s file or identification number, if known; (b) The name, address, any email address, telephone number and any facsimile number of the petitioner; the name, address any email address, telephone number, and any facsimile number of the petitioner’s representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner’s substantial interests will be affected by the agency determination; (c) A statement of when and how each petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency’s proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency’s proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency’s proposed action. A petition that does not dispute the material facts upon which the Permitting Authority’s action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority’s final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

**Extension of Time:** Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the EPC’s action may also request an extension of time to file a petition for an administrative hearing. The EPC may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Legal Department of the EPC at 3629 Queen Palm Drive, Tampa, Florida 33619, Phone 813-627-2600, Fax 813-627-2602, before the deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

**Mediation:** Mediation is not available in this proceeding.

Q&A

What makes public notices in newspapers superior to other forms of notices?

Public notices in newspapers are serendipitous. When readers page through a newspaper, they will find important public notice information they otherwise would not find anywhere else.

Rarely do consumers specifically search online for public notices.

Q&A

Who benefits from legal notices?

You do. Legal notices are required because a government body or corporation wants to take action that can affect individuals and the public at large.

When the government is about to change your life, or your property or assets are about to be taken, public notices in newspapers serve to alert those affected.

# Why Public Notice Should Remain in Newspapers

Along with open meeting and freedom of information laws, public notice is an essential element of the **three-legged stool of government transparency**

This is not about “newspapers vs the internet”.

**It’s newspapers *and* newspaper websites vs government websites**

and newspaper websites have a much larger audience. Moving notice from newspapers to government websites would **reduce the presence of public notices on the internet**

Requiring independent, third-party newspapers to ensure that public notices run in accordance with the law helps

**prevent government officials from hiding information**

they would prefer the public not to see

Since the first U.S. Congress, public officials have understood that newspapers are the best medium to notify the public about official matters because they contain the

**essential elements of public notice:**

**Accessibility**

**Independence**

**Verifiability**

**Archivability**

**Publishing notices on the internet is neither cheap nor free**

**Newspapers remain the primary vehicle for public notice in all 50 states**

**Newsprint is inherently superior to the internet for public notice** because reading a newspaper is a serendipitous process.

We find things in newspapers we weren't expecting to see. On the internet, we search for specific information and ignore everything else.

**Citizens continue to learn about vital civic matters from newspaper notices.**

Documented examples of people taking action and alerting their community after reading a newspaper notice are reported on a regular basis.

**Verifying publication is difficult-to-impossible on the web.**

That's why the courts subject digital evidence to far greater scrutiny than evidence published in newspapers

**Significant numbers of people in rural areas still lack high-speed internet access.**

Those who are older than 65 or who have lower incomes or lack high-school diplomas are also cut off from the internet in far higher numbers than the average.

**Moreover, the real digital divide for public notice is growing**

due to the massive migration to smartphones and other small-screen digital devices

**Governments aren't very good at publishing information on the internet.**

Unlike newspaper publishers, public officials aren't compelled by the free market to operate effective websites.
