Description of Assessments

The District imposes special assessments on your property, the purpose of which is to fund the District's general administrative and maintenance budget, and to provide the funds necessary to pay debt service on outstanding bonds as reflected in the District's debt service budget. The budget is adopted each year after consideration by the Board and after a public hearing. This year the District will be collecting the assessments for operations and maintenance and debt service on the Flagler County Tax Bill.

All benefited lands within the District pay these assessments, including undeveloped and developed lands. Lands within the District are assigned units of measurement in accordance with their use. Platted residential lots are considered to contain one (1) residential unit. Unplatted residential lands and non-residential lands including commercial lands are assigned units in accordance with the District's assessment methodology on file at the offices of the District Manager. The table below contains the proposed assessment rate for each of the different product types within the District.

The assessment against each parcel is the total of the units in each parcel multiplied by per unit assessments. The District expects to collect no more than \$ 1,390,005 in gross revenue as a result of the operations and maintenance assessment, and \$ 1,493,394 in gross revenue as a result of the debt service assessment.

You have the right to appear at this public hearing and express any objections, suggestions or comments you may have. You may also file written objections within twenty (20) days of the date of this Notice at the office of the District Manager, Inframark Community

Management Services, 210 North University Drive, Suite 702, Coral Springs, Florida 33071, Attention: Robert Koncar. By operation of law, the District's assessments each year constitutes a lien against your property located within the District just as do each year's property taxes. It is important to pay your assessments since failure to do so will cause a tax certificate to be issued against the property which may result in loss of title.

**Additional Provisions** 

There may be occasions when staff or other individuals may participate via speaker telephone. If you are hearing or speech impaired, please contact the Florida Relay Service at 7-1-1 for aid in contacting the District Office.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the Hearing or meeting is advised that person will need a record of the proceedings and accordingly, the person may need to ensure a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based
