PUBLIC NOTICE

Washington Street Drainage Improvements Financial Project #: 532401 Bid #: 25-2516

CITY OF DUNEDIN FLORIDA

The work generally consists of the following:

The project is located on the eastern paved portion of Washington Street, where it abuts to Alt US 19 (Broadway), in Dunedin. The project proposes to regrade the section of street and install an inlet and pipes to discharge to the adjacent FDOT stormwater pond. It will include curbs/gutters and repaving of street. The street will be closed to traffic so a detour will be needed, and the parking and access to the adjacent apartments will need to be addressed.

Simply put, there are two basic types - Warning Notices and Accountability Notices.

Warning notices inform you when government, or a private party authorized by the government, is about to do something that may affect your life, liberty or pursuit of happiness. Warning notices typically are published more than once over a certain period.

Accountability notices are designed to make sure citizens know details about their government. These notices generally are published one time, and are archived for everyone to see. Accountability is key to efficiency in government.
