### What makes public notices in newspapers superior to other forms of notices?

Public notices in newspapers are serendipitous. When readers page through a newspaper, they will find important public notice information they otherwise would not find anywhere else. Rarely do consumers specifically search online for public notices.

# Public notices don't affect me. Right?

The property next to the lot you just bought was rezoned as land fill. Maybe you should have read the public notice in your local paper.
