4. Plaintiff shall advance all subsequent costs of this action and shall be reimbursed for them by the clerk if plaintiff is not the purchaser of the property for sale, provided, however, that the purchaser of the property for sale shall be responsible for the documentary stamps payable on the certificate of title. If plaintiff is the purchaser, the clerk shall credit plaintiff's bid with the total sum with interest and costs accruing subsequent to this judgment, or such part of it, as is necessary to pay the bid in full.
5. On filing the certificate of title the clerk shall distribute the proceeds of the sale, so far as they are sufficient, by paying: first, all of plaintiff's costs; second, documentary stamps affixed to the certificate; third, plaintiff's attorneys' fees; fourth, the total sum due to plaintiff, less the items paid, plus interest at the rate prescribed in paragraph 1 from this date to the date of the sale; and by retaining any remaining amount pending the further order of this court.
6. On filing the certificate of sale, defendant(s) and all persons claiming under or against defendant(s) since the filing of the notice of lis pendens shall be foreclosed of all estate or claim in the property, except as to claims or rights under chapter 718 or chapter 720, Florida Statutes, if any. Upon the filing of the certificate of title, the person named on the certificate of title shall be let into possession of the property. If any defendant remains in possession of the property, the clerk shall without further order of the court issue forthwith a writ of possession upon request of the person named on the certificate of title.
NOTICE: Issuance of a writ of possession does not exempt plaintiff from complying with federal law requiring notice to tenants residing on foreclosed property. To insure compliance with federal law, Plaintiff should consult with counsel before serving the writ of possession.
7. Jurisdiction of this action is retained to enter further orders that are proper including, without limitation, a deficiency judgment, additional attorney's fees and costs; writs of possession; orders determining the amount and responsibility of assessments that may be due a condominium pursuant to Fla. Stat. § 718.116, orders arising out of re-foreclosure, to include supplemental complaint to add interest-holder, and or orders involving reformation of the mortgage instrument or deed to perfect title.
8. Additions. Modifications or Changes to Standard Form
Any additions, modifications or changes to the provisions above may only be set forth in this paragraph.
a. The Court finds, based upon the affidavits presented that the actions required and time spent and fees incurred are reasonable and appropriate for Plaintiff's counsel's attorney's fees and costs. The Court finds that there are no reasons for either reduction or enhancement pursuant to Florida Patient's Compensation Funds v. Rowe, 472 So.2d 1145 (Fla. 1985), and the Court therefore has awarded reasonable attorney's fees and costs in the amount indicated in paragraph 1 of this Judgment.

Why Public Notice Should Remain in Newspapers

Along with open meeting and freedom of information laws, public notice is an essential element of the **three-legged stool of government transparency**

This is not about “newspapers vs the internet”.

It’s newspapers *and* newspaper websites vs government websites

and newspaper websites have a much larger audience. Moving notice from newspapers to government websites would **reduce the presence of public notices on the internet**

Requiring independent, third-party newspapers to ensure that public notices run in accordance with the law helps

prevent government officials from hiding information

they would prefer the public not to see

Since the first U.S. Congress, public officials have understood that newspapers are the best medium to notify the public about official matters because they contain the

essential elements of public notice:

Accessibility

Independence

Verifiability

Archivability

Publishing notices on the internet is neither cheap nor free

Newspapers remain the primary vehicle for public notice in **all 50 states**

Types Of Public Notices

ESSENTIAL ELEMENTS OF A PUBLIC NOTICE

Federal and state public notice statutes generally establish four fundamental criteria for a public notice.

Each of these elements are critical aspects of the checks and balances that public notice was designed to foster.

1. Accessible

Every citizen in the jurisdiction affected by the notice must have a realistic opportunity to read it

2. Archivable

Notices must be capable of being archived in a secure and publicly available format for the use of the judicial system, researchers and historians

3. Independent

Notices must be published by organizations independent of the government body or corporation whose plans or actions are the subject of the notice

4. Verifiable

There must be a way to verify that each notice was an original, unaltered notice and actually published in accordance with the law
