## Are there different types of legal notices?

Simply put, there are two basic types - Warning Notices and Accountability Notices.

Warning notices inform you when government, or a private party authorized by the government, is about to do something that may affect your life, liberty or pursuit of happiness. Warning notices typically are published more than once over a certain period.

Accountability notices are designed to make sure citizens know details about their government. These notices generally are published one time, and are archived for everyone to see. Accountability is key to efficiency in government.

## Are internet-only legal notices sufficient?

No. While the internet is clearly a useful resource, websites should not be used as the sole source of a legal notice.

Websites, whether controlled by a government body or a private firm, are not independent, archived, readily available or independently verified.

Newspaper legal notices fulfills all of those standards.

## How much do legal notices cost?

The price for notices in the printed newspaper must include all costs for publishing the ad in print, on the newspaper's website and to www.floridapublicnotices.com.

The public is well-served by notices published in a community newspaper.

Q&A

Q

What makes public notices in newspapers superior to other forms of notices?

A

Public notices in newspapers are serendipitous. When readers page through a newspaper, they will find important public notice information they otherwise would not find anywhere else.

Rarely do consumers specifically search online for public notices.

VIEW NOTICES ONLINE AT [Legals.BusinessObserverFL.com](http://Legals.BusinessObserverFL.com)  
To publish your legal notice email: [legal@businessobserverfl.com](mailto:legal@businessobserverfl.com)

Q

How much do legal notices cost?

A

The price for notices in the printed newspaper must include all costs for publishing the ad in print, on the newspaper's website and to [www.floridapublicnotices.com](http://www.floridapublicnotices.com).

The public is well-served by notices published in a community newspaper.

Q&A

What makes public notices in newspapers superior to other forms of notices?

Public notices in newspapers are serendipitous. When readers page through a newspaper, they will find important public notice information they otherwise would not find anywhere else.

Rarely do consumers specifically search online for public notices.

**Newsprint is inherently superior to the internet for public notice** because reading a newspaper is a serendipitous process.

We find things in newspapers we weren't expecting to see. On the internet, we search for specific information and ignore everything else.

**Citizens continue to learn about vital civic matters from newspaper notices.**

Documented examples of people taking action and alerting their community after reading a newspaper notice are reported on a regular basis.

**Verifying publication is difficult-to-impossible on the web.**

That's why the courts subject digital evidence to far greater scrutiny than evidence published in newspapers

**Significant numbers of people in rural areas still lack high-speed internet access.**

Those who are older than 65 or who have lower incomes or lack high-school diplomas are also cut off from the internet in far higher numbers than the average.

**Moreover, the real digital divide for public notice is growing**

due to the massive migration to smartphones and other small-screen digital devices

**Governments aren't very good at publishing information on the internet.**

Unlike newspaper publishers, public officials aren't compelled by the free market to operate effective websites.

**Types Of Public Notices**

**Citizen Participation Notices**

- Government Meetings and Hearings
- Land and Water Use
- Meeting Minutes or Summaries
- Creation of Special Tax Districts

- Proposed Budgets and Tax Rates
- Zoning, Annexation and Land Use Changes

**Commercial Notices**

- Unclaimed Property, Banks or Governments
- Delinquent Tax Lists, Tax Deed Sales
- Government Property Sales
- Permit and License Applications

**Court Notices**

- Mortgage Foreclosures
- Name Changes
- Probate Rulings
- Divorces and Adoptions
