

## Notice of Tax Certificate Sale

As provided in Chapter 197.402, Florida Statutes, notice is hereby given that on the 1st day of June 2024 beginning at 7:00 a.m., tax certificates will be sold at a public auction on those lands on which taxes for 2020-2023 have not been paid and will continue until each parcel is sold to pay taxes, interest, costs, and charges thereon. The sale will be held on the Internet at [www.lienhub.com](http://www.lienhub.com) and the site is now available for registration and review. If there are any questions regarding the online tax certificate sale, please contact Grant Street Group Customer Service at (866) 247-4370. For inquiries regarding property taxes, please contact the Pinellas County Tax Collector's office at (727) 464-7777.

If you are a person with a disability who needs any accommodation in order to participate in the tax certificate sale, you are entitled, at no cost to you, to the provision of certain assistance. Within two (2) working days of your receipt of this legal notice, please contact the Office of Human Rights, 400 S. Ft. Harrison Ave., Suite 300, Clearwater, FL 33756, (727) 464-4062 (V/TDD).

Under the provisions of Federal law, specifically 50 U.S.C. sec 560, the Tax Collector's office is required to restrict the rate of interest charged on any delinquent tax certificate that may be sold against properties owned by men and women actively in the military. The maximum interest rate which may be imposed is 6%, not the Florida statutory 18%.

If any such certificates are unknowingly sold at a higher rate of interest, they are subject to recall and re-issuance at the reduced rate of interest if challenged within two years of returning from the overseas assignment.

Since this office has no reliable way of identifying the properties owned by persons who are entitled to this protection, we are asking that anyone who reads this notice that believes the property identified herein may be owned by a military member affected by this law, please contact us immediately at the following special service number, (727) 464-3409 or by email at [deedsupport@pinellastaxcollector.gov](mailto:deedsupport@pinellastaxcollector.gov).

# Why Public Notice Should Remain in Newspapers

Along with open meeting and freedom of information laws, public notice is an essential element of the **three-legged stool of government transparency**

This is not about “newspapers vs the internet”.

## It's newspapers *and* newspaper websites vs government websites

and newspaper websites have a much larger audience. Moving notice from newspapers to government websites would **reduce the presence of public notices on the internet**

Requiring independent, third-party newspapers to ensure that public notices run in accordance with the law helps **prevent government officials from hiding information** they would prefer the public not to see

### Types Of Public Notices

**Citizen Participation Notices**

- Government Meetings and Hearings
- Meeting Minutes or Summaries
- Agency Proposals
- Proposed Budgets and Tax Rates
- Land and Water Use
- Creation of Special Tax Districts
- School District Reports
- Zoning, Annexation and Land Use Changes

**Commercial Notices**

- Unclaimed Property, Banks or Governments
- Delinquent Tax Lists, Tax Deed Sales
- Government Property Sales
- Permit and License Applications

**Court Notices**

- Mortgage Foreclosures
- Name Changes
- Probate Rulings
- Divorces and Adoptions
- Orders to Appear in Court

Since the first U.S. Congress, public officials have understood that newspapers are the best medium to notify the public about official matters because they contain the **essential elements of public notice:**

- Accessibility**
- Independence**
- Verifiability**
- Archivability**

**Publishing notices on the internet is neither cheap nor free**

Newspapers remain the primary vehicle for public notice in **all 50 states**

# ESSENTIAL ELEMENTS OF A PUBLIC NOTICE

Federal and state public notice statutes generally establish four fundamental criteria for a public notice.

Each of these elements are critical aspects of the checks and balances that public notice was designed to foster.

## 1. Accessible

Every citizen in the jurisdiction affected by the notice must have a realistic opportunity to read it

## 2. Archivable

Notices must be capable of being archived in a secure and publicly available format for the use of the judicial system, researchers and historians

## 3. Independent

Notices must be published by organizations independent of the government body or corporation whose plans or actions are the subject of the notice

## 4. Verifiable

There must be a way to verify that each notice was an original, unaltered notice and actually published in accordance with the law
